RE: Laurie Ehler, Judicial Appointment

Dear Mr. Walker and Fellow Committee Members:

It is with great pleasure that I write this letter of recommendation for Laurie Ehler.

I believe that she has the qualities that personify a judge: experience, knowledge of law, and an intense work ethic. In addition, I have always found Laurie Ehler to be impartial, reasonable, and unpretentious, as well as committed to her family and community.

I believe Laurie Ehler is an excellent choice for County Judge.

Warm regards,

Edward Ciampi  
Martin County Commissioner  
District 5
