Book Summary:

William Waters grew up in a house silenced by tragedy, where his parents could hardly bear to look at him, much less love him—so he’s relieved when his skill on the basketball court earns him a scholarship to college, far away from his childhood home. He soon meets Julia Padavano, a spirited and ambitious young woman who surprises William with her appreciation of his steadiness.

With Julia comes her family; she is inseparable from her three younger sisters: Sylvie, a dreamer, is happiest with her nose in a book and imagines a future different from the expected path of wife and mother; Cecelia is an artist; and Emeline patiently takes care of all of them. Happily, the Padavanos fold Julia’s new boyfriend into their loving, chaotic household.

Hello Beautiful by Ann Napolitano

But when darkness from William's past surfaces, it jeopardizes not only Julia's carefully orchestrated plans for their future, but the sisters' unshakeable loyalty to one another. The result is a catastrophic family rift that changes their lives for generations. Will the love that once rooted them be strong enough to draw them back together when it matters most?

Vibrating with tenderness, *Hello Beautiful* is a gorgeous, profoundly moving portrait of what's possible when we choose to love someone not in spite of who they are, but because of it.

3. Sylvie is very much a dreamer. In what ways was Sylvie similar to their father?
4. Julia is very focused and has her life all mapped out and even picks out a career for William. After dealing with a hard background, William is grateful he’s no longer alone. Why were these two not a fit in the end?

What were your thoughts as this all unfolded?
10. Why did William give up custody to his daughter?

Hello Beautiful by Ann Napolitano

- ¼ teaspoon ground turmeric
- ¼ teaspoon cayenne pepper
- 2 teaspoons agave nectar

In a blender, combine all the ingredients and blend until smooth. Transfer to a small saucepan and stir over medium-low heat for about 5 minutes, until warmed through and thickened.

Preheat the oven to 425°F. Pile the chips into a 9 x 13-inch baking dish. Add the black beans. Bake for 10 to 15 minutes, until the beans are warmed through.
