

DISPOSE OF HAZARDOUS WASTE *The Right Way!*

SAFE, EASY DISPOSAL FOR MARTIN COUNTY RESIDENTS

Dispose of household hazardous waste
the right way to:

Protect your family's health

Safeguard our water, soil, and wildlife

Keep sanitation workers safe

IMPORTANT:

Never place hazardous waste at the curb.

HOW TO SAFELY DISPOSE OF **HOUSEHOLD** **HAZARDOUS WASTE**

Martin County offers two safe and free options for residents:

- **Household Hazardous Waste Disposal Center.**
- **HazMobile – a mobile collection vehicle that travels throughout the county.**

Residents may dispose of up to 100 pounds of hazardous waste or 20 gallons of gasoline, oil, or antifreeze per day at no charge.

Residents may not leave hazardous waste unattended. The HazMobile must be present to accept materials. Leaving items behind is illegal dumping and may result in prosecution.

HOUSEHOLD HAZARDOUS WASTE DISPOSAL CENTER

Operating since 1995, the Disposal Center offers a simple drive-up experience. Trained staff will safely unload, sort, and transport your materials for proper disposal or recycling.

PHONE

772 - 221 - 1416
USD_HHW@martin.fl.us

WHAT IS **HOUSEHOLD HAZARDOUS WASTE?**

Household hazardous waste includes common items found in homes that can be harmful to people, pets, or the environment if thrown away incorrectly.

IMPROPER DISPOSAL CAN:

Pollute rivers,
canals, and
drinking water

Damage septic
systems and
wastewater
treatment plants

Cause injuries
to sanitation
workers

IMPORTANT:

Never place hazardous waste at the curb.

MANY EVERYDAY ITEMS ARE CONSIDERED **HAZARDOUS** INCLUDING:

- Aerosol cans and fertilizers
- Batteries of all sizes, including car and boat batteries
- Pool chemicals, cleaners, acids, and corrosive products
- Electronics like TVs, computers, cell phones, and printers
- Used motor oil, antifreeze, and automotive fluids
- Fluorescent bulbs and other mercury-containing items
- Paint, paint thinners, and solvents
- Pesticides, herbicides, and weed killers
- Acetone, furniture strippers, lubricants, and polishes
- Flammable items such as gasoline, flares, and propane tanks

**Only household waste is accepted;
business waste is prohibited.**

Martin County's Solid Waste Division provides safe, sanitary, and environmentally responsible waste disposal for county residents. The division delivers efficient, cost-effective waste collection for homes and businesses in unincorporated areas and provides recycling collection for single- and multi-family residences throughout the county. Through partnerships with neighborhoods, non-profit organizations, and waste haulers, the division also works to expand recycling and reduce waste across the community.
