

SCHEDULE OF FINES, FEES AND OTHER USER CHARGES

Effective May 1, 2023

The Purpose of this schedule is to list all fees charged for library services.

To help ensure that materials are available for all residents, the Library charges fees for overdue, damaged, and lost materials. Overdue fees are charged with the intention of encouraging the timely return of library materials. For lost or damaged items, fees may be assessed to cover the material and labor costs of repairing or replacing the items. Fees may also be assessed for special services that result in additional costs for the Library.

The Library Director will maintain a fee schedule for all Library fees and charges.
