

Cornell Avenue:

Safer, Greener, Better

The **Martin County Community Redevelopment Agency (CRA)** and the **Old Palm City Neighborhood Advisory Committee (NAC)** are partnering with the Utilities Department and Public Works Department to bring lasting upgrades to Cornell Avenue!

Coming Soon

- **Upgraded Utilities** – Modern water and sewer systems.
- **Fresh Streets** – Resurfacing through the Neighborhood Restoration Program.
- **Neighborhood Enhancements** – Wider sidewalks, improved drainage, and enhanced lighting and landscaping for a more welcoming community street.

Why It Matters

- **More Space** – 6–8 ft sidewalks for families, strollers, wheelchairs, and bikes
- **Greener Buffers** – Trees and landscaping for shade, stormwater absorption, and traffic calming
- **Safer Walks** – A pedestrian-friendly corridor for all ages and abilities
