

2025 Legislative Session Weekly Update- Week 6

Coast Legislative Session- 40 Day Drill Down (April 12th)

Lawmakers' focus will soon shift to taking up bills on the respective chamber floors, with committee work nearing an end and some committees already having announced they won't hold any more meetings this session. By the end of this coming week there will be little hope of passage for bills not heard in assigned committees. Consequently, some committees will have fairly packed agendas this week as they try to clear their calendars – three Senate Appropriations committees on Tuesday will each see more than a dozen bills, the House Health and Human Services Committee will have 32 bills and House Health and Human Services 24. While Senate rules now allow committee chairmen to call meetings even in the last few weeks of session, it appears the [Senate floor plans won't leave time](#) for committees after April 22. For measures to be considered on the Senate floor, the bill or its companion measure must have been approved by at least one committee under Senate Rule 4.31. That rule can only be waived by unanimous consent of the full Senate.

[Bills Not Yet Seen In Committee](#)

While these bills have not been officially reported as dead, LobbyTools has created a report of the **804** general bills that have not been heard in any of their committees of reference as of the 40th-day marker.

HB 4007 - Compensation for Health Care Services for Inmates in Martin County

The bill limits the compensation of health care providers who provide medical services for inmates housed in a Martin County detention center to 110 percent of the Medicare allowable rate if the provider does not have a contract with Martin County to provide medical services to inmates, unless the provider reported a negative operating margin for the previous year to the Agency for Health Care Administration, in which case the bill limits compensation to 125% of the Medicare allowable rate. The bill also limits compensation to entities providing emergency medical transportation services for an inmate housed in a Martin County detention center to 110% of the Medicare allowable rate if the entity does not have a contract with Martin County to provide emergency medical transportation services.
