

**BRIDGE ROAD MAIN STREET PROJECT
MERCHANT/RESIDENT INFORMATION MEETINGS**

Martin County Office of Community Development - Hobe Sound CRA

We are improving the streetscape along Bridge Road to promote economic development by providing new infrastructure, increased parking, new sidewalks, street lighting, and landscaping. We are coordinating with FPL to underground the electric lines, and with SMRU for installation of an upgraded water main. This enhanced roadway design will increase vehicular and pedestrian safety, corridor walkability, and assist in future parcel redevelopment.
