

FOR IMMEDIATE RELEASE

## SEMI-ANNUAL FREE CHLORINE MAINTENANCE

Martin County Utilities, the City of Stuart and South Martin Regional Utility (SMRU) will temporarily change the method of chlorinating potable water to ensure the future safety of the water. The Utility water users may notice an unusual chlorine taste or odor in their tap water during the period of December 31, 2023 – January 14, 2024.

These temporary conditions will not be harmful to your health; however, if you are on kidney dialysis, you should consult your physician for special instructions concerning this matter. If you have tropical fish or aquatic animals, you should contact your local tropical fish store for advice and take appropriate action to ensure that you have properly treated the water before adding it your aquarium.

The hydrant flushing during this period may cause the water to become cloudy and discolored. This is a temporary condition and should not last more than a few hours.

We apologize for any inconvenience you may experience during this time. Please keep in mind that this is necessary to provide safe water for our customers.

For more information contact Martin County Utilities Customer Service at (772) 221-1434, the City of Stuart Customer Service at (772) 288-5317 or (772) 288-5318 or South Martin Regional Utility (SMRU) Customer Service at (772) 546-2511.

Thank you for your cooperation.

### About the Martin County Board of County Commissioners

The five-member Board of County Commissioners is the legislative governing body of Martin County. Each Commissioner is elected to a four-year term by voters in the countywide area. Chapter 125.01 of the Florida Statutes establishes the specific duties and powers of the Board of County Commissioners. Exercising their legislative powers, the County Commission adopts ordinances (local laws) and resolutions to establish policies and programs to protect the health, safety and general welfare of Martin County residents.
