

## FOR THE VOLUNTEERS OF THE MARTIN COUNTY LIBRARY SYSTEM

**New Service – Communico!**

New Events / Reservation Program

We have improved our event calendar and room reservation systems! Patrons can reserve our study rooms, studios, and Glowforge with convivence up to 3 hours a day using <https://mcls.libnet.info/reserve>. For our events, check out our new and improved event calendar to see and register for the latest classes, clubs, and events <https://mcls.libnet.info/events>.

**Volunteer Spotlight**

Since 2015, Mitzie Frigenti has been an invaluable part of the Hobe Sound library team. She has been a great support to the manager there and grew very close to Pat Riker over the years as they worked together on Stitches of Kindness (a crafting program that donates back to the community, providing crocheted items to assisted living facilities and walker bags for patrons at all our libraries).

The two of them also had a lot of fun planning and presenting crafting events for adults in the community room. She always assists with library program needs: organizing, decorating, creating packets of info., etc. She also decorates the children's bulletin board for seasonal displays to make the space more stimulating for our littlest customers. Her help extends to all staff, assisting with any library needs: processing materials from the book drop, organizing staff space and closets, etc.

Mitzie was an incredible asset in the very difficult times Hobe Sound went through recently. Her dedication and support helped every single staff member continue to provide extraordinary service to the people of Hobe Sound. We feel extremely lucky to have Mitzie as part of the Hobe Sound Public Library family. Congrats on earning 1050 volunteer service hours thus far!
