

FOR THE VOLUNTEERS OF THE MARTIN COUNTY LIBRARY SYSTEM

Welcome New Library Staff

Welcome
Sam Todd
Library Specialist

Sam has his Bachelor's degree in Field Biology from the University of Wisconsin-River Falls, and comes to us with an extensive background in education, including work as a Lead Educator at Snake Discovery and a Guest Educator with the Indian River School District, as well as fifteen years of experience in customer service! Sam will be joining the team at the Peter & Julie Cummings Library in Palm City.

Cameron holds a B.S. degree in Applied Science from IRSC. His customer service and computer assistance experience background will serve him well in the library. He previously worked with Geek Squad customer technical support, served as a childcare coordinator at a local resort, and handled retail sales support in a local market. His strong Digital Media Animation Gaming and Modeling background are a natural fit for serving Robert Morgade Library patrons and the college community!

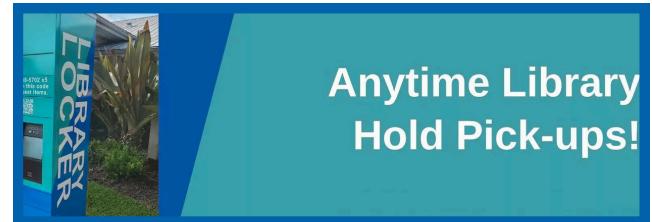

Welcome
Cameron Cardona
Library Technical
Assistant

Teen Volunteer Spotlight!

Kylie Johnson
June 2023 - January
2026, 197 Hours!

Kylie shelved and assisted with special projects in the Children's Department at the Blake Library. She's developed a passion for library work and will be joining us as a new **Intern**. We are excited and super proud of her! Cheers to her next library chapter!

**Anytime Library
Hold Pick-ups!**

Patrons can now send reserved materials to the Library Locker for flexible, convenient pickup, available 24 hours a day, seven days a week!
