

FOR THE VOLUNTEERS OF THE MARTIN COUNTY LIBRARY SYSTEM

“The Heart of our Library”

In appreciation of your generous contribution of time and energy, the library staff and the Friends of the Martin County Library System, Inc., hosted our annual volunteer recognition event on April 3rd. We were joined by Chef Dan and his amazing team from the Boys & Girls Club who provided a sushi demo and buffet-style lunch. We followed this up with an AI IQ fun game with our Digital Services Manager, KC Hudson, and her team members, Manuel Payano and Marcia Vojcsik!

Raffle and game winners loved the library T-shirts!

Current fiscal year numbers are around 1,527.

Thank you for your labor of love!
