Volunteers with teaching experience are needed to teach Basic English classes facilitated at the Golden Gate Enrichment Center on Wednesday evenings 6-7:30pm. Bilingual a plus; year-round resident preferred.

Library Welcomes New Part Time Library Specialist—
Kaleigh Hunter, Thomas Sierra, and Kelsey Treister. **Welcome to our team!**

The Spotlight is on our Book Depot team—
The Friends of the Martin County Library System would like to recognize the volunteers at the Friends’ Book Depot for going above and beyond during this year’s half-price book sale.

Volunteers did all the sales, service, set-up, restocking and promotion for the annual sale, and many took on extra shifts to cover the influx of customers during the four days of fun in late July. The Depot was super busy, raising more than $3,600 – a 30% increase over last year’s sale. That’s a lot of books at 20 cents to a couple of dollars each! All the proceeds from the Book Depot help to support programs, materials and technology at Martin County’s six public libraries.

Many thanks also go to new and repeat customers, who enthusiastically gathered their treasures and waited patiently in line, sharing their discoveries and good humor with fellow readers. Heartfelt kudos to our volunteers for making this event a HUGE success!

**Cheers—**
Terry L. Dick, Volunteer Manager
