

MARTIN COUNTY EMERGENCY MANAGEMENT  
Emergency Operations Center (EOC)  
Activation Levels

Level 3 Enhanced Monitoring	Martin County Emergency Management Agency (MCEMA) transitions to this level for incidents or special events that have the potential for escalation. MCEMA and/or other emergency management personnel are actively monitoring the incident/event. Notifications are made to appropriate Leadership, Departments, and County personnel, and support organizations that may be required to act as part of their normal responsibilities. <b>This is the lowest level of activation.</b>
Level 2 Partial Activation	Selected EOC staff are notified. The EOC is staffed by Martin County Emergency Management Agency (MCEMA) personnel, appropriate Emergency Support Functions (ESFs), their staff, and outside agencies as required to meet the operations needs of the incident.
Level 1 Full Activation	All lead and support agencies are notified. The EOC is staff by Martin County Emergency Management Agency (MCEMA) personnel, the Executive Policy Group, Unified Command, All Emergency Support Functions (ESFs), their staff, and outside agencies as required to meet the operation needs of the incident. <b>This is the highest level of activation.</b>
