

PARKS & RECREATION DEPARTMENT APPROVED VENDOR LIST

Thank you for your interest in renting one of the wonderful venues Martin County Parks and Recreation has to offer. Our goal is to make sure our clients, event organizers and guests are working with licensed and insured businesses. We also hope to promote local businesses that provide the highest quality service and products for your event. This document is a list of approved vendors that have submitted a vendor application, provided the County a copy of their business license, added the Martin County Board of County Commissioners to their businesses insurance and have paid an annual fee.

Martin County is not responsible if a vendor defaults, does not show or if you are simply not satisfied with their work in any way. It is ultimately up to you as the client to manage your vendors. Should you decide to hire a vendor that is not on this list, that vendor must follow the simple steps to become an approved vendor.

Please note that the County's approval is for informational purposes only, it does not constitute or imply approval and/or endorsement of this vendor by the Martin County Board of County Commissioners.

This document may be reproduced upon request in an alternative format by contacting the County ADA Coordinator (772) 320-3131, the County Administration Office (772) 288-5400, Florida Relay 711, or by completing our accessibility feedback form at www.martin.fl.us/accessibility-feedback
