All applications for development must be reviewed for completeness, prior to the acceptance of the application for distribution to staff for review. The application must include the documents listed in Section 10.2.B., the disclosure of ownership interests described in 10.5.D.1, and the completeness review fee.

Submit only one paper set of plans and documents for completeness review. For full submittal following determination of completeness, one paper packet (8 1/2x11-inch) of documents must be submitted. Upon submittal of the hard copy for both completeness and full submittals/resubmittals, staff will provide the agent listed on the application with a project specific link to a Sharebase folder where the agent can upload the digital plans and documents. The digital version of plans shall be a .pdf at a minimum of 24x36 inches and 300 dpi (not a scanned copy). **Bookmark all the documents and plans in the order they appear in the Checklist.** Do not provide electronic signatures on any documents as they create errors in the bookmarked PDFs.

The coordinate positions within this file are to be rotated and translated to state plane coordinates in the North American Datum of 1983(NAD83) adjustment of 2011, Florida State Plane East Zone, US Survey Feet or currently approved datum.

FEE: Initial applications shall be accompanied by a completeness review fee.
