## Public transit updates

MARTY, Martin County's public transit service, will continue to provide service for riders performing essential activities. Increased cleaning and disinfecting will continue to be performed on all vehicles and at bus stops with seating.

Individuals utilizing public transit shall adhere to the recommendations of the Centers for Disease Control and Prevention (CDC) with regards to social distancing and do their part in minimizing the possible spread of COVID-19. Passengers should make every effort to sit or stand at least six feet from any other passenger and the bus operator. Individuals that are sick are asked NOT to board MARTY vehicles.

To minimize interaction between patrons and bus operators, MARTY is suspending the sale of on-board bus passes and fare box collection through Friday, April 3.

MARTY is committed to maintaining the same level of service that our patrons have come to expect and will provide updates should conditions change.
