To be completed if the value of the building is over \$300,000 and built prior to March 1, 2002. Must be completed by a licensed General, Building, Residential or Roofing Contractor or State of Florida registered Architect or Engineer.

Description of Work: _____

Job Site Address: _____

License Holder's Name: _____ License No.: _____

Company Name: _____ Phone No.: _____

I, _____ do hereby affirm that the building structure is valued at \$300,000 or more and has the following existing roof-to-wall connection which complies to the Windstorm Loss Mitigation requirements as per Florida Statute 553.844.

Check one of the following:

- ☐ The existing roof-to-wall connections meet the current code requirements for roof-to-wall connections and/or roof-to-foundation load path requirements.
- ☐ The roof-to-wall connections will be enhanced up to 15% of the cost of the roof replacement using metal connectors, clips, straps and fasteners to achieve an uplift capacity as specified in the following code references:
 8th Edition (2023) FBC Existing Building 706.8.1
 8th Edition (2023) FBC Residential R908.8.1
- ☐ The evaluation and installation of the roof-to-wall connections at gable ends or corners cannot be completed for 15% of the cost of the roof replacement.
