Rev. 7-26

Property Information

Property address _____ (Street) _____ (City) _____ (ZIP Code) _____ (Permit number)

_____ (Owner name) _____ (Purpose of temporary electric hook-up)

Contractor Information

_____ (General contractor name) _____ (Electrical contractor name)

General contractor address _____ (Street) _____ (City) _____ (ZIP Code)

Whereas Section 112.2 of the Florida Building Code 8th Edition, as adopted, provides for temporary hook-ups; and whereas the above-listed electrical contractor for construction being done for the above-listed property owner; and whereas it is necessary to have a temporary electrical hook-up in order to test and check out equipment being installed for the above-listed purpose:

1. The parties to this Agreement are the Martin County Building Department and the above-named general contractor.
2. In order to allow electrical service to be provided to certain equipment being placed at the above-listed property address, the Building Official hereby agrees to grant a temporary hook-up permit.
3. This temporary hook-up permit shall be effective for thirty (30) calendar days from the date of this Agreement, after which time the temporary hook-up will be revoked or a certificate of occupancy will be issued to verify completion.
4. The purpose of this temporary electrical hook-up is solely for the purpose of testing and checking out equipment. **No furniture or occupants will be moved into building until a certificate of occupancy is issued.**
5. The contractor has informed the owner of the building of the contents of this agreement and hereby states that the owner has consented to the terms and conditions contained herein.
