FREE CHLORINE MAINTENANCE

PUBLIC NOTICE MARTIN COUNTY UTILITIES, THE CITY OF STUART AND SOUTH MARTIN REGIONAL UTILITY (SMRU) FREE CHLORINE MAINTENANCE

Martin County Utilities, City of Stuart and South Martin Regional Utility (SMRU) will temporarily change the method of chlorinating potable water to insure the future safety of the water. The Utility water users may notice an unusual chlorine taste or odor in their tap water during the period of January 8, 2017 – January 21, 2017.

These temporary conditions will not be harmful to your health; however, if you are on kidney dialysis, you should consult your physician for special instructions concerning this matter. If you have tropical fish or aquatic animals, you should contact your local tropical fish store for advice and take appropriate action to insure that you have properly treated the water before adding it your aquarium.

The hydrant flushing during this period may cause the water to become cloudy and discolored. This is a temporary condition and should not last more than a few hours.

We sincerely regret any inconvenience you may experience during this time. Please keep in mind that this is necessary to provide safe water for our customers.

For more information contact Martin County Utilities Customer Service at (772) 221-1434, the City of Stuart Customer Service at (772) 288-5317 or (772) 288-5318 or South Martin Regional Utility (SMRU) Customer Service at (772) 546-2511.

Thank you for your cooperation.
